Advanced Acting Class Gives 'Liliom' Tonight

By MARGOT MILLER

"Liliom", which will open tonight at 8:15 o'clock in the Actors' studio, is a different type of production from those usually given by the Speech and Drama department.

Cast for the play has been selected from Mr. John R. Kerr's advanced acting class instead of having been selected on the basis of tryouts by interested students. Those who take part in the production are doing so as a classroom project.

The 11 students who are cast in the play will alternate parts on each of the three nights of the production, not an easy thing to do.

The editors of the Spartan Daily feel that it would be unfair to run a critical review of the opening night performance in view of the play's experimental nature and because actors will be cast in different parts for subsequent nights.

In reviewing "Liliom" the Daily will try an experiment of its own—something different in reviews. Two reporters will cover the play, one on Thursday and one on Friday. They will combine their opinions and write one review for both casts, evaluating the production on its success as a classroom project rather than on the merits of the actors in their various parts. This combined review of the play will be run in Monday's Spartan Daily.

UP ROUNDUP

Two UN Officials Seek Refuge in US

Two United Nations officials resigned yesterday and asked the State Department for asylum (refuge) in the United States.

The men are Aleksandr Rudzinski, counselor of the Polish delegation, and Arnost Fried, secretary of the Czechoslovakia consulate general's office. Both men referred to the communist regimes in their countries and the recent Soviet walkouts from the UN.

\$1,500,000 LOOTED

The \$1,500,000 holdup of Brink's Armored Car service Monday night in Boston yielded one of the greatest cash loots in the nation's crime history, according to FBI and police records.

Brinks service is offering a \$100,000 reward for the bandits, "dead or alive." A black Cadillac sedan, believed to be the car used in the holdup, was sighted in the Bronx, N. Y., yesterday morning.

FINNS RE-ELECT CHIEF

Juho Paasikivi, the man who refused to say yes to the Russians, was re-elected yesterday to the presidency of Finland, overwhelmingly defeating the communist candidate.

The new president will be named by the electoral college on Feb. 15.

SEEKS COURT ACTION

The government yesterday asked the Federal Court in Washington to order John L. Lewis to put all soft-coal miners back on a five-day work-week.

Dr. Williams Says Mendosa 'Better'

The condition of William Mendosa, San Jose State athlete who contacted polio two weeks ago, is very satisfactory, Dr. Fleta Williams, college physician in charge of medical care, said yesterday.

"He is swallowing normally," said Dr. Williams, "in fact he is scheduled to leave under his parent's care this Saturday."

Dr. Williams, whose accurate diagnosis sent Mendosa to the Santa Clara county hospital, said that the paralysis is not extensive, being confined to the right shoulder.

March of Dimes Show Opens Tonight, Kavet Promises Top Program

To Feature Singer Nellie Lutcher, Dancing, Comedy, Popular Music

"Don't miss the March of Dimes variety show which will take place tonight at 7:30 o'clock in the Morris Dailey auditorium," Bob Kavet, campus chairman for the 1950 campaign against polio urged yesterday.

"Exhibition dancing, comedy stunts, good music, and an array of brand new skits all will go to produce the effect of old time vaudeville at its incomparable best," Kavet said.

A highlight of the program, Kavet added, will be the guest appearance of Nellie Lutcher, renowned septa entertainer, who is featured currently at a local night club. Nellie relates that her first break came in 1944 when she introduced the hit tune "He's a Real Gone Guy" in a March of Dimes show in Los Angeles.

The show's cast will include Joe Juliano, Betty Louthan, Nick Lickwar, and Marv Braunstein. Herb Patnoe's orchestra will play, featuring Bill Russell and Jim Borba as vocalists.

The March of Dimes variety show carries with it a serious note, Kavet said. The per capita contribution in Santa Clara county has fallen in recent years due possibly to the influx of large numbers of people who are not fully aware of the seriousness of the local polio problem.

"Throughout the state the average contribution is 33 cents per person. It was 23 cents in Santa Clara county last year," he explained.

Kavet suggests that students turn out a little early Thursday night and catch the March of Dimes show before going over to watch the all-college boxing tournament in the Men's Gym.

The Santa Clara County Infantile Paralysis association appointed Kavet chairman of the 1950 March of Dimes campaign for San Jose

New Frosh Prexy To Be Named By Class Council

The office of Freshman class president, vacated recently by Ray Olmstead, will be filled this afternoon at the class council meeting in room 116 at 3:30 p.m.

Tom Arvin, vice president, became temporary leader at the beginning of this quarter, after Olmstead left school because of illness in his family.

Other business to be discussed by the council will pertain to the "Black Catter's Ball". All itemized bills for the dance will be turned in at this time.

All bids and money from sales must be turned in to Joey Baldwin, bid chairman, or to Dan Engilman, class treasurer, at this meeting.

CSTA Will Hold Meeting Today

All students interested in teaching are invited to attend the first meeting of the California Student Teachers' association this afternoon at 4 o'clock in room A1, according to CSTA's newly elected president, Dick Cirigliano.

Dr. William R. Rogers will address the group on teacher-principal relations, Cirigliano said. Dr. Rogers is an associate professor of education at San Jose State college.

Cirigliano says that committee chairmen and members will be appointed at today's meeting, and urges all interested students to attend.

NELLIE LUTCHER

State college. He stated that adequate contributions would probably be forthcoming through the presentation of the March of Dimes variety show, and that classroom soliciting would not be necessary.

Receiving a complimentary candy cane from candy-bloused sophomore Marlyn Ahlenius are Gene Wolf, Caroline Riordan, and Jack Stone. Cliff Majersik, publicity chairman, is also handing out the candy to Harvey Luke. The scene was the "Candy Capers" bid booth where the candy campaign got under way today and will continue tomorrow.

—photo by Hildebrandt.

A Kiss With Every Bid

By BILL EPLER

"'Candy Capers' is different!", according to Dick Vaum, sophomore class president, "We aren't choosing a queen, but we have a bevy of very lovely girls 'working' at the ticket booth, who are offering every lucky bid buyer a kiss."

The bids for the dance, which is to be held Saturday evening, Jan. 21, in the Civic auditorium from 9 p.m. - 1 a.m., are now on sale at the Graduate Manager's office and at the ticket booth located at the Library arch.

Price of the bids is \$1.80. In the event of rain the ticket booth will be located at the entrance to Morris Dailey auditorium.

"This is the dance that the student body has been waiting for!", declared the sophomore class president. "The fact that 'Candy Capers' is a sport dance puts it within the range of most pocket-books."

Because of the successful sophomore hop, "Hawaiian Heaven" of last year, Brent Wilson and his orchestra have been hired again to provide the music for 'Candy Capers.' Wilson, who has several additions to his 12-piece band, promises to play the kind of music the students want.

Weather

Raincoats will continue to be in style today as the forecaster predicts occasional rain with little change in temperature. Yesterday's skies ran the gamut from clear to overcast to rain, accompanied by light winds. Temperatures ranged from a low of 45 to a high of 58.

Today and tomorrow the publicity committee for the dance will give away candy canes, kisses and all-day suckers to all students.

The decorations for the dance will be unusual. There will be large candy canes flanking the door, and will line the sides of the dance floor. At the back of the auditorium will be large all-day suckers.

ASB Council Discusses 1950 Frosh, Dimes Show

Freshman camp will hold a double session this fall. Asilomar will see San Jose State college's incoming freshmen on either Sept. 15-17, or Sept. 17-19. In order to get future students acquainted with Freshman camp, an explanatory booklet will be sent along with all notices of acceptance to the college. Len Frizzi resigned from the College Fairness committee because he was graduated. . . Applications for membership in the committee are to be left in the ASB office. . . All students are welcome to apply.

President Don Schaeffer goes to San Francisco State on Feb. 1. . . He will discuss the proposed "March of Dimes" show which the three San Francisco colleges want to sponsor, and he will bring north several school banners for use in drumming up interest for the Spartan-Gator boxing meet. . . The council voted Don \$4 for traveling expenses.

Bob Smith is the new Inter-Fraternity representative to the Student Council.

Social Affairs will hold a St. Patrick's day dance on March 17. The Student Activities board will meet on Thursday. . . The new chairman is Dave Down. . .

Sacramento State wants to use the San Jose State college constitution for help in making up its own. . .

Student 'Y' Holds Meeting Tonight In Student Union

A general Student Y meeting open to all members and prospective members will be held tonight at 7:30 o'clock in the Student Union, according to Ted Trett, chairman of the affair.

A dance will follow the meeting, with Bob Dean acting as disc jockey and supplying the chatter between selections.

During the general meeting, which is being held in connection with the Y's membership drive, student speakers will discuss topics of general campus interest, Trett said.

Thrust and Parry

Dear Thrust and Parry:

From first-hand experience (received while reposing in a bed at the Health cottage) and by asking qualified people, I learned that San Jose State has a pretty fair health program.

If a regular student, a student body cardholder, is injured while participating in any college-sponsored activity, whether athletic or academic, he is entitled to 30 days free hospitalization at the Health cottage. If his injuries are major he is taken to one of three local hospitals. Upon recovery, he submits the receipts of the payment of his bill to the Health cottage board for approval; so long as the student is a regular student, a student body cardholder, and suffered his injury in a college function, this approval is merely a matter of form. The student is then reimbursed to the rate of one-half the cost of his medical bill up to \$200.

The Health center has always given medical attention to anyone asking it, regardless of whether or not he's a regular student and an ASB cardholder. It deserves a vote of confidence.

Goes to Japan

Miss Mary Jeanne Sullivan, graduate from San Jose State college in 1944, arrived in Kyoto, Japan, Sunday to become hobby and crafts adviser to the First Corp area, according to the Alumni bulletin.

Miss Sullivan was an arts and crafts teacher at Hughson Union high school, Hughson, Calif., prior to accepting her position with the army.

AWS 'Big-Little Sister' Party to Be Held Today

The Associated Women Students and their guests will take over the Student Union this afternoon, from 4 to 5:30 o'clock, when the "Big-Little Sister" party goes into full swing.

An annual AWS-sponsored affair, the "welcome" this quarter has been extended to more than 100 coeds, according to Chairman Lynn MacDonald.

"AWS is an organization which is open to all interested women students, and this is our way of welcoming potential members into the group," President Joan Hale said yesterday.

Entertainment for the party is scheduled, and refreshments will be served.

CCF Adviser In Meeting Here

Homer Goddard, Christian Youth counsellor and conference speaker from Walnut Creek, will address a public meeting of the Collegiate Christian Fellowship today at 12:30 p.m. in S-31.

Stan Ekstrand, president of the San Jose CCF group, said the meeting will be open to all interested students, and urges their attendance. Announcements concerning membership also will be made during the event. Club members are urged to watch the bulletin board for news of other CCF happenings.

'Skeptics' To Plan Club Organization

An informal meeting of the "Skeptic's Hour" will be held today at 4:30 p.m. in the Y lounge, according to Cecil Webb, chairman. Purpose of the meeting will be planning and organization. Interested students are invited to attend and assist in presentation of ideas and topics for future meetings.

Dr. Carl Duncan is just modeling these shoes in observance of Spartan Spinners fifth, or wooden anniversary. Pictured above are: on floor, left to right: Margaret Jacobson, Robinette Woodside; standing, left to right: Mrs. Sarah Wilson, Louise Wurfer, Gerald Rider, Jack Golden, Dr. Duncan, Leona Piltz, Dr. Clarice Wills, JoAnne Flenniken.

Spartan Spinners Give Anniversary Folk Dance

Tonight marks the fifth anniversary celebration of the Spartan Spinners, who will stage a folk-dancing party at Washington school, Oak and State streets, between 7:30 p.m. and 10:30 p.m.

Mrs. Sarah R. Wilson, the original sponsor of the group and still active as an adviser, will be guest of honor. All student body members are invited to the affair, either as dancers or spectators, according to Jack Golden, publicity chairman for the Spinners.

A variety of dances will be performed, including the Swedish hombo, Corrido, Oklahoma mixer, Yugoslavian kolos, Spinning waltz and Canadian barn dance. Many of the square dances which have been planned will be called by members of the club. The Russian hopak, an intricate folk-dance, will be demonstrated by advanced Spinners members.

Golden advised that girls wear ballerina skirts, simple peasant blouses and low heels, and fellows should wear simple sports clothes. The party will close with home-made refreshments.

General chairman for the birthday party is Louise Wurfer. Jo Anne Flenniken is in charge of posters and Robinette Woodside is making arrangements for sound. Advisers present will be Dr. and Mrs. Carl D. Duncan, Dr. and Mrs. Albert Schmoldt and Mr. and Mrs. Wayne Wills.

Holds Smoker

Chi Pi Sigma members held their first smoker of the quarter Thursday evening at the chapter house.

Featured attraction was Bert McCarty's talk entitled "What a Fraternity Should Mean to You." Refreshments were served, and movies were shown to the gathering.

Another smoker will be staged by the police fraternity tonight at 8 o'clock.

Tri-Beta Displays Marine Life Here

Tri-Beta, national honorary biological science fraternity on campus, will be responsible for a new display of marine plants and animals in the Natural Science department this week, according to Eugene Olsen, display chairman, Tri-Beta member.

Boxing Tourney In Gym Tonight

By AL GROSSI

Some 2,800 boxing enthusiasts will crowd their way into Spartan gym tonight at 8 o'clock to witness the 13th annual All-College boxing tourney. It will mark the first time in San Jose history and very probably in collegiate history that an All-College tourney went two nights. The finals are slated for tomorrow night.

The crowd will get the added thrill of being able to score one of the bouts during the evening's program. A tally space will be located at the top of the program, and the spectators will be asked to judge a given bout. A demonstration will be given previous to the bout in order to acquaint the fans with the various fouls that may occur in boxing.

Portal Originates Idea

This idea originated with Coach Dee Portal, who is the inventor of the round by round scoreboard, which lets the fan know at the end of each heat how the bout is going.

Portal, incidentally, will be on hand to make a few appropriate remarks sometime during the evening in connection with the March of Dimes drive.

Portal announced today that the card will feature seven bouts instead of the scheduled eight. Jack Nelson, 175-pounder, developed a severe cold and will be unable to compete. He

was to have met Dusty Rhoades. Rhoades instead will face Don Schaeffer in the finals.

Probably one of the best bouts of the year will pit Raul Diez against Pete Fransich in the 165-pound class. This bout is considered a "natural" since both boys have plenty of collegiate ring experience and both hold collegiate titles. This will be the feature bout Friday night.

Boys Are Evenly Matched

Tonight's card will not have the color of the finals. Few tourneys do. However, as Portal commented, "the boys are so evenly matched that every match is certain to be a thriller." All the participants are either veterans from last year's Spartan team or up and coming leather pushers that will form the nucleus for next year's squad. To give an example of how deep the San Jose Boxing team is, Keith Bayne will be the only Novice tournament winner to compete. He will tangle with Ernie Paramo in the 125-pound bracket on Friday.

In the 130's tonight Alvin Harris and Wes Mathews, both experienced men, open the card. Ted Ratliff, NCAA quarter-finalist, will meet Don Camp, and Ed Martin, another veteran, will come to blows with John Jackson in the 135's.

There will be two 145-pound battles. Sophomore Johnny Johnson will take on Les Walters. Challenging Jim McDonald, PCI veteran, will be Harry Topolan.

In what is expected to be one of the better bouts of the evening, veteran Joe DeSoto will square off with Stan Marcell, a highly rated transfer from Pasadena City college. DeSoto represented the Spartans last year in the PCI tourney. The heavyweight department will match two Spartan-gridders, Fred Silva and Al Weimers.

The referee will be Julius Mendez, boxing coach of Santa Clara university.

SPORTS

Boxing Mentor

COACH "DEE" PORTAL will produce another All-College Boxing tournament in the San Jose State college gym tonight, starting at 8 o'clock. This is the 13th year that Portal has presented his intra-college event, a boxing highlight each season.

Bronzan Prepares For 1950 Season, States Grid Plans

Head Football Coach Bob Bronzan is hard at work getting ready for spring practice, at which time he will send his future varsity gridders through 30 workouts with practice sessions scheduled for five or six days a week.

As yet, no line coach has been nominated to fill Bronzan's shoes, but several men are under consideration. During the spring grind, Bronzan will tutor the backfield and his assistant will handle the line duties.

No radical changes will be made in the coaching policy by the new mentor, but a few technical changes are planned.

"Because of the close contact between Bill Hubbard and myself in the past, our basic ideas are the same," Bronzan stated.

Bronzan is expecting over 100 candidates to turn out for spring practice. He has called a special meeting for Jan. 23 at 7 p.m. in either room S-112 or S-210 for all men interested in turning out for the 1950 varsity football team.

If the quality of the men is high and the quantity sufficient, Bronzan would like to use a strict platoon system next fall. He would employ 11 offensive and defensive men, each group working together as a unit. During the past season, a platoon system for line alone was used by the Spartans in several games.

Fresno Awaits Spartan Cagers

San Jose State's cagers meet Fresno State Saturday night in the Raisin city.

The game will be the third in California Collegiate Athletic association play this season for the Spartans, and the fourth for the Bulldogs.

Fresno won its only loop game from Santa Barbara college on its home court. A week previously it had dropped a 16-point decision on the Gauchos' floor. The other Fresno loss was to Cal Poly, 61-65.

SJSC opened its association play last week with a win over San Diego State and lost to Pepperdine, while on the road.

Wrestlers' Experience Sinks Invading Teams

By SAM GOLDMAN

Coach Ted Mumby's experienced wrestling team had to use every trick in the book last night to overcome the well trained El Toro Marines, 31-2, and a top conditioned Alameda Naval Air station squad, 23-12, in the Spartan gym.

The San Jose boys trailed the Alameda sailors, 10-8, until the 155 lb. division match when Ray Bunnell decisively won. Nelson, 165 lb. Frank Waxham, a new sparkplug for the Spartan machine this year, overthrew Dick Nesmith for a fall, and blue and gold Dick Campbell in the 175-lb. battle flattened Bob McFarling in the third period to insure the San Jose victory.

Newcomers to the San Jose varsity, Don Suzukawa, 136 lb., and Johnny Melendez, 145 scaler, were pinned in the Alameda matches by veterans John Aguilar and Ira Renner, respectively.

Dependable Ben Ickikawa floored navyman Doug Wilcox in the 128 lb. test, and Billy Rothwell outclassed sailor Ed Houle in the 121 lb. opener.

The well conditioned and trained marines from the south could only grab a two point draw from the Spartan matmen. Veteran Herman Beyer tied John Jackson in the 136 lb. tussle.

Enjoying an evening of point gathering for Sparta were Joe Killeen with a decision over Jim Threadgill in the 128 lb. grapple, 145 lb. co-captain Bill Wardrup stapping Bill Tarrant for five points, Joe Thornley outscoring Larry Gardner in the 135 lb. trip, 165 lb. Lee Jordan and 175 lb. Larry Cunningham pinning of Don Hartline and Bob Stinchcomb in

successive matches, and Phil Bray's decision points over heavyweight Bob Boursaw. The marines forfeited five points in the 121-lb. match due to El Toroan Chuck Goff's broken leg.

Larger Number Show Religious Preference

Martin Says Cards Aid Churches In Serving San Jose Students

By FRANCIS ERROTA

Forty-one percent, or 3071 students of 7471 enrolled at San Jose State college, turned in religious preference cards during winter quarter registration, Jim Martin of the Student "Y" office announced yesterday.

This is an increase of 9 percent over the fall quarter, when 32 percent (2598 out of 8019 students) turned in religious preference cards.

Of the total 3071 cards turned in, 1986, or 64.7 percent stated Protestant preference. Catholics numbered 881 or 28.7 percent. Thirty-two students, or 1 percent stated Jewish preference, Buddhists number 17 or .7 percent, while 150 or 4.9 percent, stated no religious preference.

Catholics, Buddhists, and those showing no religious preference, showed slight increases in numbers and percent over the fall quarter.

Protestants show an increase in number, 1752 to 1986 for the fall quarter, but 67.2 percent of the students turning in preference cards last fall were Protestant, whereas the winter quarter percentage showed a slight drop to 64.7 percent.

Methodists, largest single Protestant group, comprise 16 percent (499) of the total, while the Presbyterians number 375, or 12 percent. Episcopalians follow with 243, Baptists 220, Congregation-

alists 120, and Christian Scientists number 103.

A breakdown into classes, reveals that the freshman class comprised 26 percent of the total turning in religious preference cards. The frosh turned in 775 cards, followed by the junior class with 713 or 23 percent, sophomores 687 or 22 percent, senior class with 658 cards or 21 percent of total. One hundred fifty-eight, or 5 percent of total cards, were turned in by graduate students. Three percent, or 80 students, did not reveal in which class they fall.

"Although we believe there are still a large number of students with a religious preference who did not complete, and turn in the cards, we are glad to notice that more students indicated their preference this quarter," Martin said.

The more cooperative the students are, the more complete information he will be able to supply the college, and the greater service churches in the community can give to San Jose State college students. "We hope to make this a regular feature of each quarter's registration", said Martin.

Pair of fur-lined, leather gloves. Return to Information office with your name. Reward offered.

Seniors Should Apply Early For Graduation This June

Candidates for graduation in June or August should make formal application for graduation at the Registrar's office early this quarter, Miss Viola Palmer, registrar, said today.

Preparatory to application, seniors should check at the office to see if their major and minor forms are on file. These forms, which may be obtained from the Registrar, must be filled out in triplicate and signed by the department heads.

Education students are exempted from filing of major forms.

Seniors should make an appointment either with Mrs. Margaret Henningsen or Miss Dorothy Muzio to apply for graduation.

Their averages and credits will be checked at the application time and they will be given a summary of requirements necessary for graduation. No fees are required at this time.

In this way, Miss Palmer said, the possibility will be eliminated that prospective graduates will be notified in June they are not eligible for their diploma.

Candidates should apply early so any deficiencies may be pointed out and made up and the diplomas may be ordered in plenty of time for commencement exercises, Miss Palmer advised.

Graduates will not be allowed to participate in the June services if they are on probation or have not attained a 1.0 average at the beginning of spring quarter.

Formerly seniors who came under these classifications were allowed to practice for the exercises since there was a chance they could make up their deficiencies during spring quarter.

WSSF Chairman Applications Now Being Accepted

Applications are now being accepted by the student council for the position of World Student Service fund chairman, according to Marsh Pitman, 1949 drive leader.

The drive for 1950 will begin spring quarter, terminating with the awarding of the perpetual WSSF trophy. The service, according to Pitman, aids students of foreign countries by supplying funds for books, clothes, lab and research equipment, and other much needed school supplies.

All campus organizations and students will be asked to contribute to the worthy cause.
